

Do you know someone with a lived, personal experience of behavioral health issues; including mental illness, addiction, developmental disabilities, traumatic brain injury (TBI), Alzheimers and related dementia, and similar challenges?

Do you know someone who is a primary caretaker of someone with these experiences? Or direct service provider?

Did you know there is an educational and inspiring conference made just for them? www.peerconference.org

Your sponsorship will directly assist individual attendees and conference goals.

Sponsor's logo will be on conference materials and signage.
